

September 7, 2012

Below are anticipated construction activities for the week of 9/10/2012.

****While this list encompasses numerous construction projects, it does not list all DPW projects throughout the county. The most recent work is highlighted. Also, weekend work is possible on all projects. We ask for motorists' patience and caution while driving through construction sites. All work is weather dependent.**

CENTER TOWNSHIP

Northbound lane restrictions are in place for Meridian Street between East 25th Street and Fall Creek Boulevard North Drive. East 25th Street will remain closed to traffic until November 15, 2012.

Restrictions will be in place at the intersection and approaches to the intersection of Shelby Street, Prospect Street, and Virginia Avenue for streetscape and intersection improvements. Project and schedule information can be found at

<http://www.indy.gov/eGov/City/DPW/RebuildIndy/Projects/Pages/Fountain-Square-Improvements-Phase-II.aspx>.

Restrictions may be in place on Indiana Avenue from 10th Street to 16th Street while streetscape improvements are underway.

Restrictions may be in place on the following streets while resurfacing work is underway.

- 34th Street from Central Avenue to Ruckle Street
- Alabama Street from Lincoln Street to Terrace Avenue
- Alley 950 E from 19th Street to 21st Street
- Alley 125 S from Alley 2050 W to Traub Avenue
- Alley 200 S from Alley 2050 W to Traub Avenue
- Alley 1075 E from Legrande Avenue to the dead end
- Alley 1350 S from Sheffield Avenue to Belmont Avenue (This project also extends into Wayne Township.)

Restrictions are in place on Delaware Street from McCarty Street to South Street. The contractor has switched traffic to the newly paved two eastern lanes of Delaware Street and will be working in the three western lanes.

Restrictions may be in place on College Avenue between 28th Street and East Fall Creek Parkway North Drive while bridge railing repair work is underway.

Restrictions are in place on Delaware Street from South Street to Maryland Street. Traffic has been moved to the two eastern lanes in this area. South Street from Pennsylvania Street to East Street is closed. Local access from East Street to Ogden Avenue on South Street will be maintained and will continue in this set up until late September.

Restrictions will be in place on the bridge on Emerson Avenue north of Massachusetts Avenue while bridge rehabilitation is underway. This project is also on the border of Warren Township.

Restrictions may be in place while downtown brick sidewalk and street paver repair is underway. Locations include around Monument Circle, Market Street from Alabama Street to Capitol Avenue, and the Wholesale District (bounded by Pennsylvania Street, Washington Street, Capitol Avenue, and South Street). This project is a continuous "as needed basis" project through the year.

Restrictions may be in place on Alabama Street from 16th Street to 22nd Street while curb and sidewalk and resurfacing work is underway.

Indianapolis Cultural Trail: A Legacy of Gene & Marilyn Glick

Traffic restrictions on Virginia Avenue from South Street to the I-65 bridge are in place. Traffic has been moved to the east side of Virginia Avenue with one lane in each direction. On-street parking in this section of Virginia Avenue will be removed during the construction of the Trail. Expect more congestion in this area for the next couple of weeks due to the pavement removal operation. Asphalt paving operations should start on Virginia Avenue by the end of next week.

On the Central Corridor (Washington Street), maintenance of traffic (from Capitol Avenue to West Street) has been set up, moving the vehicles to the southern lanes. The contractor is currently working on the south side of Washington Street placing new signal indications and pedestrian indications. Work on the north side of Washington Street on the Trail is underway with a trench drain being placed from Senate Avenue to West Street.
